

MEET THE CHALLENGE OF EDUCATION — AT ANY TIME

At dawn . . . in the daytime . . . at dusk: education at Russell High School is a full-time endeavor.

THE CHALLENGE OF LEADERSHIP IS EQUALLY

Mr. Firestine calmly explains to Brent Vance the penalty for cutting line.

Connie Fosson leads the band in a colorful fanfare.

DISTRIBUTED AMONG FACULTY AND STUDENTS

While devising new cheers, Mary Jane Reed, cheer-leading captain, flashes a sunny smile.

Bill Gallion, Senior class president, burdened by graduation plans, embarks upon a humorous thought.

Diane Gussler, a leader in her class, becomes absorbed in the phenomenon of nature.

MANY STUDENTS FEEL THE NEED TO ENGAGE

Sherri Fultz finished first among those vying for the title of 1968 Homecoming Queen and received a reward from Rusty Williams.

Finishing first on a competitive exam, Donna Holbrook became the Betty Crocker Homemaker of Tomorrow.

Larry Butler puts forth a valiant effort to intercept a pass, but to no avail.

IN CHALLENGING COMPETITIVE ACTIVITIES

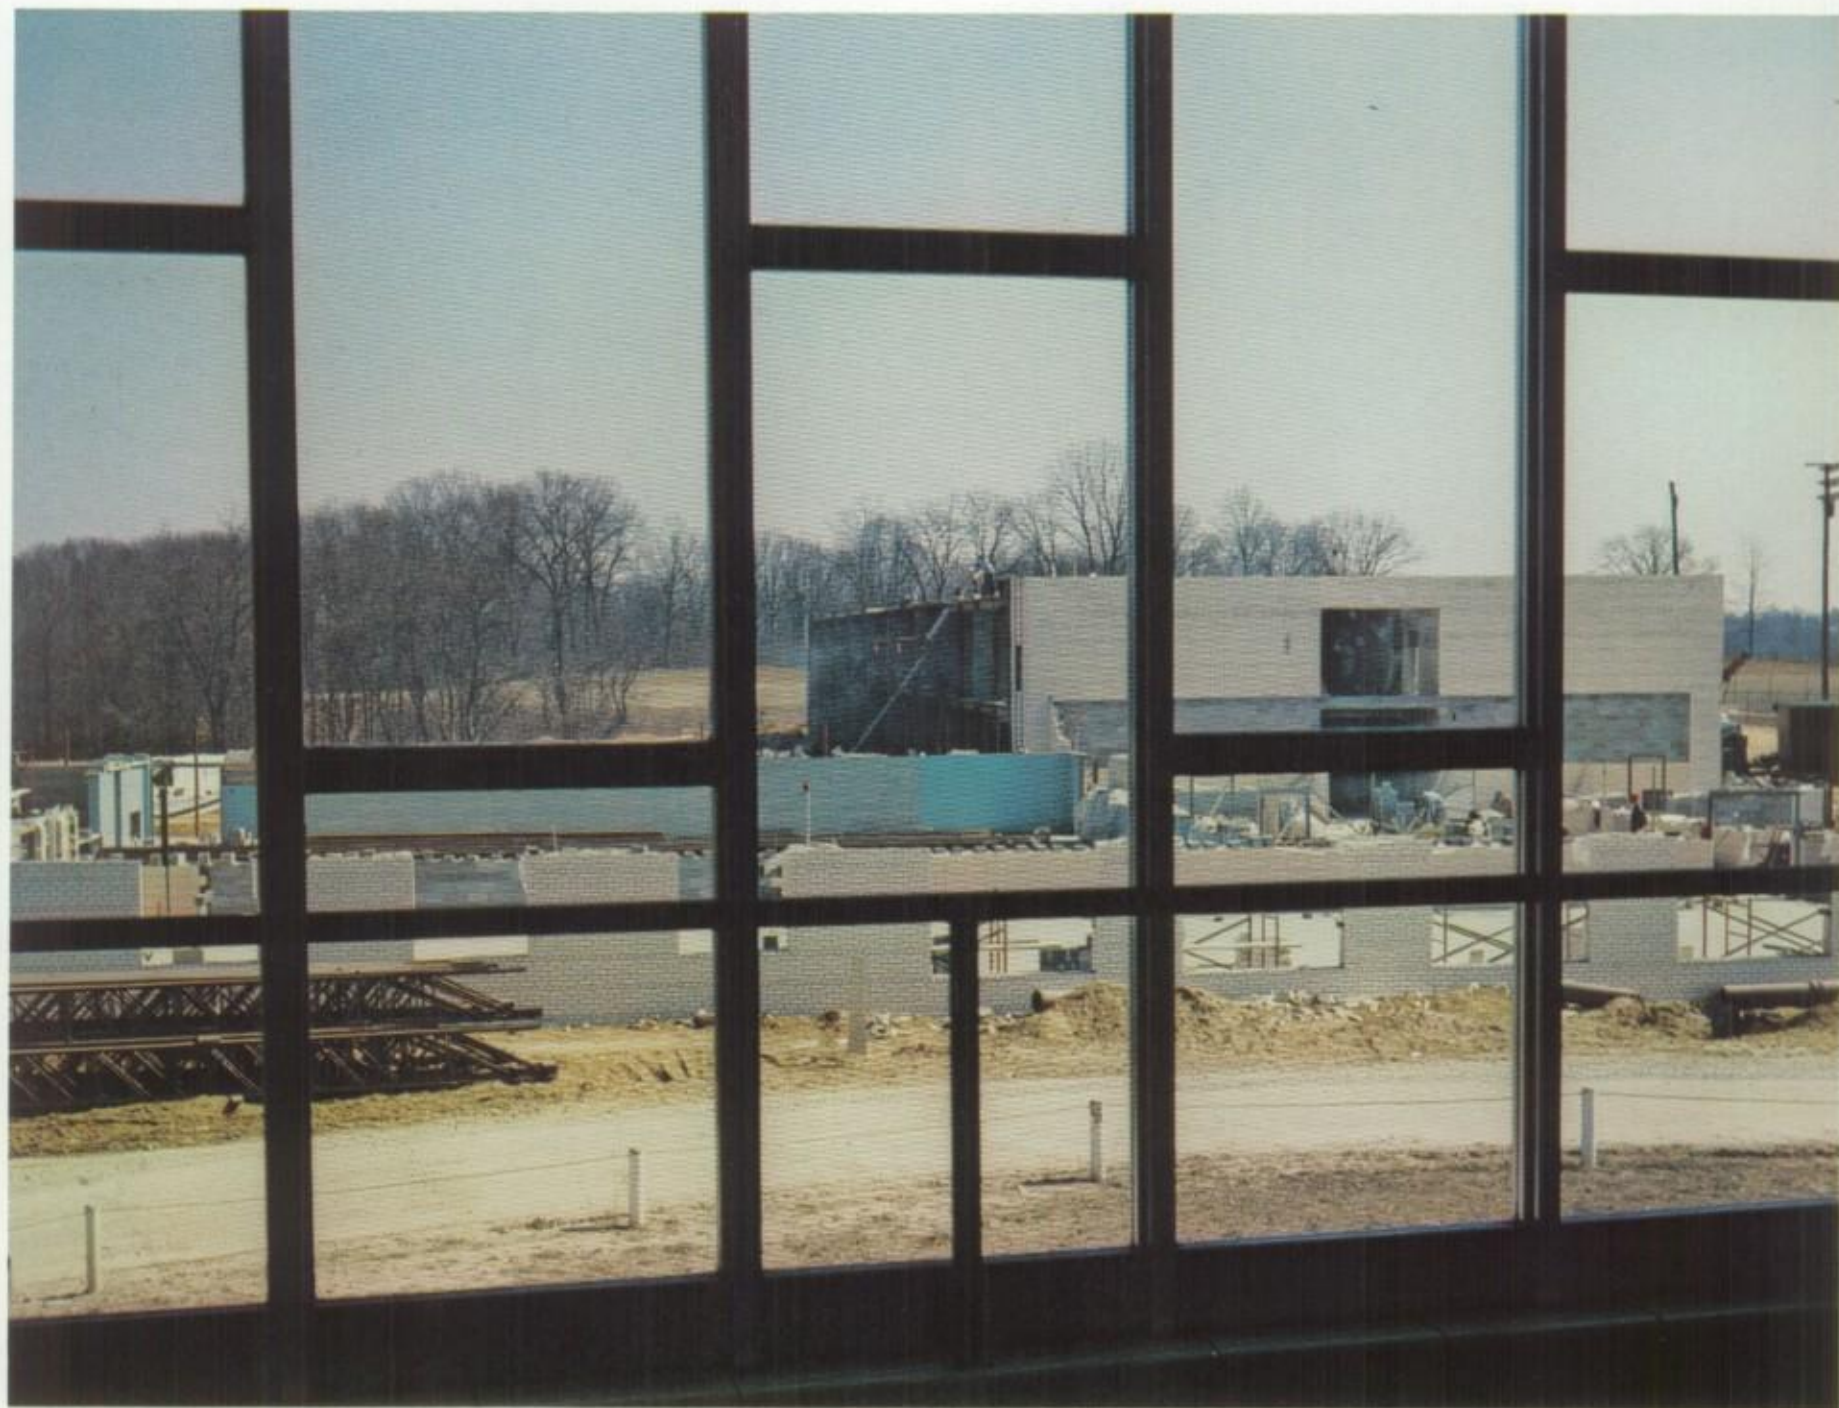

Vicki Fields, Mary Jane Reed, Sherri Fultz, Gayla Hoy, Becky Newman, and Evelyn Allison displayed superior athletic ability in capturing the 1969 16th Region Cheerleading Trophy, enabling them to advance to statewide competition.

Showing creativity, the Russell High Home Economics Department won first place at the Greenup County Fair.

PLANNING FOR THE FUTURE IS A CHALLENGE

With great foresight, the Russell Board of Education voted to build a new million dollar junior high school.

Jeff Creed practices the "quarterback sneak" in preparation for an important game.

THAT MUST BE MET BY ALL STUDENTS

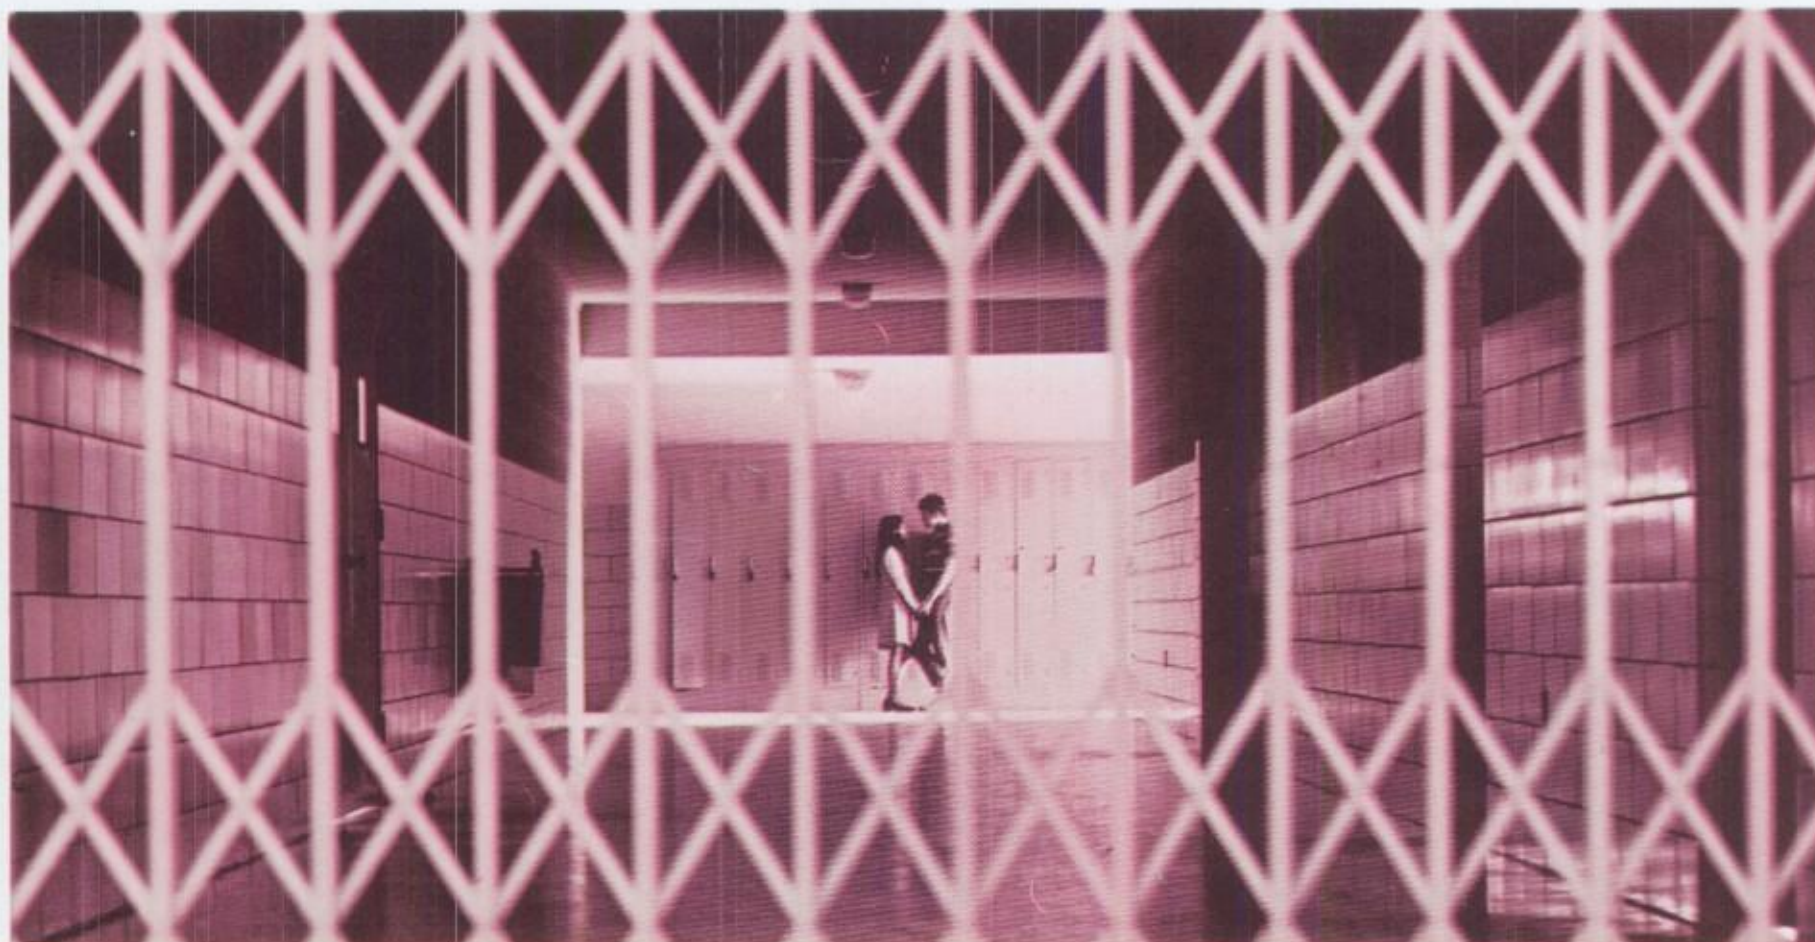

Terry Frazier and Bobby Grizzle assist Walter Hill in setting up the equipment of the "Soul Expedition," which furnished music for the yearbook dance.

The faraway look in Katrina Howard's eyes indicates that she is contemplating her future.

Debbie Steed and Rocky Lane discuss important topics after class.

YES, 1969 IS TRULY A YEAR OF CHALLENGE

Mr. Blankenship points out an important fact shown by the slide projector.

SCHOOL BOARD WORKS TO MEET CHALLENGE OF FUTURE

This competent group of men — Henry R. Evans, Logan Perry, J. J. Stephens, Sterling Norris, Glenn Deidrich, Thomas Wilson, and H. K. Herron — demonstrated great foresight in seeing the challenges that must be met by an expanding school system. They voted unanimously in 1965 to build a new junior high school to replace the overcrowded McDowell Junior High. The necessary funds were not available at that time, so action had to be postponed until the spring of 1968 when an extension of the present tax levee was approved by the taxpayers with a vote of 5-1. Ground-breaking ceremonies were held, and construction was finally started in July 1968. The new school is to be completed in the summer of 1969 at a total cost of approximately \$1,100,000. This highly efficient building will be all-electric, with each room having its own separate heating and ventilating system. It will include forty teaching stations, a cafeteria and student

union similar to those of the high school, a band room, science laboratory, art room, library, and a regulation junior high school size gymnasium with an all wooden floor and roll-away bleachers to seat 750. The building is designed to house 900 seventh and eighth graders.

The school board has also made progress in other areas: new flooring for the first story rooms of Advance School, a new kitchen and cafeteria for Russell Central Elementary, practice fields for track and football behind the field house at the high school, and an enlargement of the dressing facilities of the field house.

Foresight and dedication has guided these eight men, who in turn direct the affairs of the Russell Independent School District. They have truly conquered many large challenges and prepare for even greater ones in the future.

TWO TRULY TALENTED MEN HEAD SCHOOL DISTRICT

MR. HENRY R. EVANS — Superintendent

Presiding over nearly all phases of activity in the Russell Independent Schools, Misters Henry Evans and Logan Perry have, once again, continued to keep this system at a peak of efficiency and excellence. The '69 term marked their seventh year of service together as the Superintendent and Assistant Superintendent respectively, and their chief concerns were the construction of the new junior high building and the preparing of its facilities for the school's opening in the fall of '69. In addition, they worked closely with the school board to help bring about its variety of accomplishments. The Russell System is headed, in truth, by administrators willing to meet the challenges presented by growth, expansion, and change.

1969 Graduates:

I find that nothing expressed in my own words could better convey my sincere desires for you, in the world you have entered, than the following words found in Romans the 12th Chapter:

"Do not think of yourselves more highly than you should. Instead, be modest in your thinking, and each one of you judge yourself according to the amount of faith you have. Love must be completely sincere. Hate what is evil, hold on to what is good. Love one another warmly and be eager to show respect for one another. Let your hope keep you joyful, be patient in your troubles. Rejoice with those who rejoice, weep with those who weep. Do not be proud, but accept humble duties. Do not think of yourselves as wise. If your enemy is hungry, feed him; if he is thirsty, give him drink. Do not let evil defeat you, instead, conquer evil with good. Do not conform outwardly to the standard of this world, but let God transform you inwardly by a complete change of your mind."

Physical Education classes provide students with the opportunity to improve their physical fitness as well as to participate in many competitive sports. Each student is required to take one such class in his freshman year, and advanced classes are offered to older students. Drivers' Education helps students earn their driver's license and become careful and competent while on the road. Both of these departments lend their share in producing the well-rounded individual.

STUDENT COUNCIL SPONSORS HOMECOMING

The drawing up of a new school constitution and the traditional sponsoring of fall Homecoming activities highlighted the work of the '69 Student Council. The Council, Russell's student government organization, undertook a number of other service and money-making projects during the year; the driveway around the school building was graveled, movies were shown to the student body, and the student dress code was revised. In addition, Council members supervised the after-school traffic and again carried out the task of publishing "Buzz Books." Mistess Holsinger and Wallenfelsz served as faculty sponsors.

The presidents of Russell's numerous organizations, headed by the vice-president of the Student Council, make up the Interclub Council. As in the past, the Council's main business this year was simply the coordination of the activities of the clubs to prevent a conflict of interests.

TRIPS HEAD AGENDAS OF SCHOOL'S YOUNGEST CLUBS

Field trips and outings highlighted the Art Club's second year of activity. A rainy spring Saturday was the setting for an all-day exploration of Presidential Grove and the nearby Art Gallery in Cincinnati, Ohio, by the club's members. Later in the year, they visited the Huntington Art Galleries and a workshop of the Pilgrim Glass Company with members of the Art II and III classes. Club projects during the year included the making of advertising posters and a car wash.

Russell's first organization to be formed for the express purpose of working to raise the funds needed to send its members on an overseas trip was born during the fall of the '69 school year. The French Club, aiming at a "Bon Voyage" to France for the summer of 1970, did everything from checking coats and showing movies to selling cokes, candy, and lawn sprinklers in its attempt to reach its goal. In addition, dues were collected weekly from the members. The club plans to remain active throughout the summer of '69 and the following school term.

CO-ED-Y CLUBS CONTINUE TO BE

The members of the Senior and Junior Co-Ed-Y Clubs worked enthusiastically inventing many new and original ideas to carry their Christian ideals throughout the school and community. This year, with the help of their sponsor, Mrs. Hugolene Hughes, the Sr. Co-Ed-Y took charge of the annual teen talks. They aided the community by preparing Christmas baskets for the poor and collecting for the Heart Fund. The Sr. Co-Ed-Y did much to boost our school spirit. They sold football mugs and clappers. They put on skits at the pep rallies and decorated the goal posts for the football games. The Jr. Co-Ed-Y also proved quite industrious. They sponsored and participated in the Powder-Puff Football Game, along with holding the annual Mother-Daughter Banquet. The clubs rendered a great service to the school by giving the devotions each morning. Several members of the clubs attended the Kentucky United Nations Assembly where they received the award for best representation of their country, the U.S.S.R. At this convention and the Kentucky Youth Assembly they shared the responsibilities of leadership and many other unforgettable experiences.

The 1969 Red Devil Marching Band, led by award-winning drum major Joe Kleykamp and nine outstanding majorettes, high-stepped into an active fall season following a month of practice beneath an August sun. In between their regular performances at the half times of home football games, they participated in a number of local parades; in addition, they appeared in the Big Sandy Bowl parade at Paintsville and received honors there as being the best-playing band and having the best drum major in the competition. The long-awaited arrival of new uniforms added much to the spirit and enthusiasm of Russell's largest marching band ever, and an overall rating of "2" given to them at the Morehead Marching Band Festival in October attested to the fact that they were indeed "excellent."

IS HELD AT PARAMOUNT THEATER

"The sound of music" is brought into being by trumpeters Walter Hill, Curt Robinson, Katrina Marshall, Mark Fosson, and Chuck Dewees. Concert band members are no strangers to long hours of practice and rehearsal.

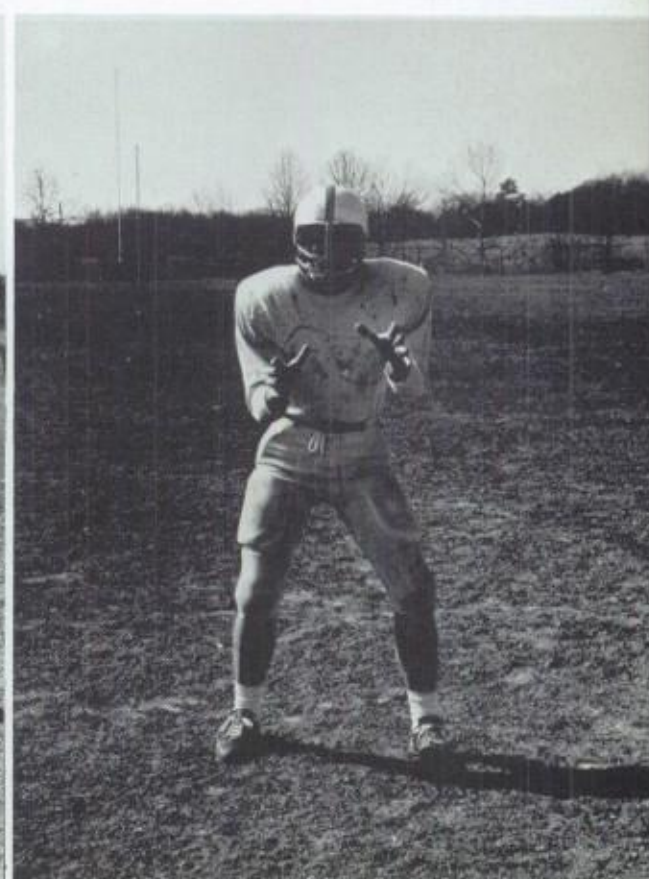

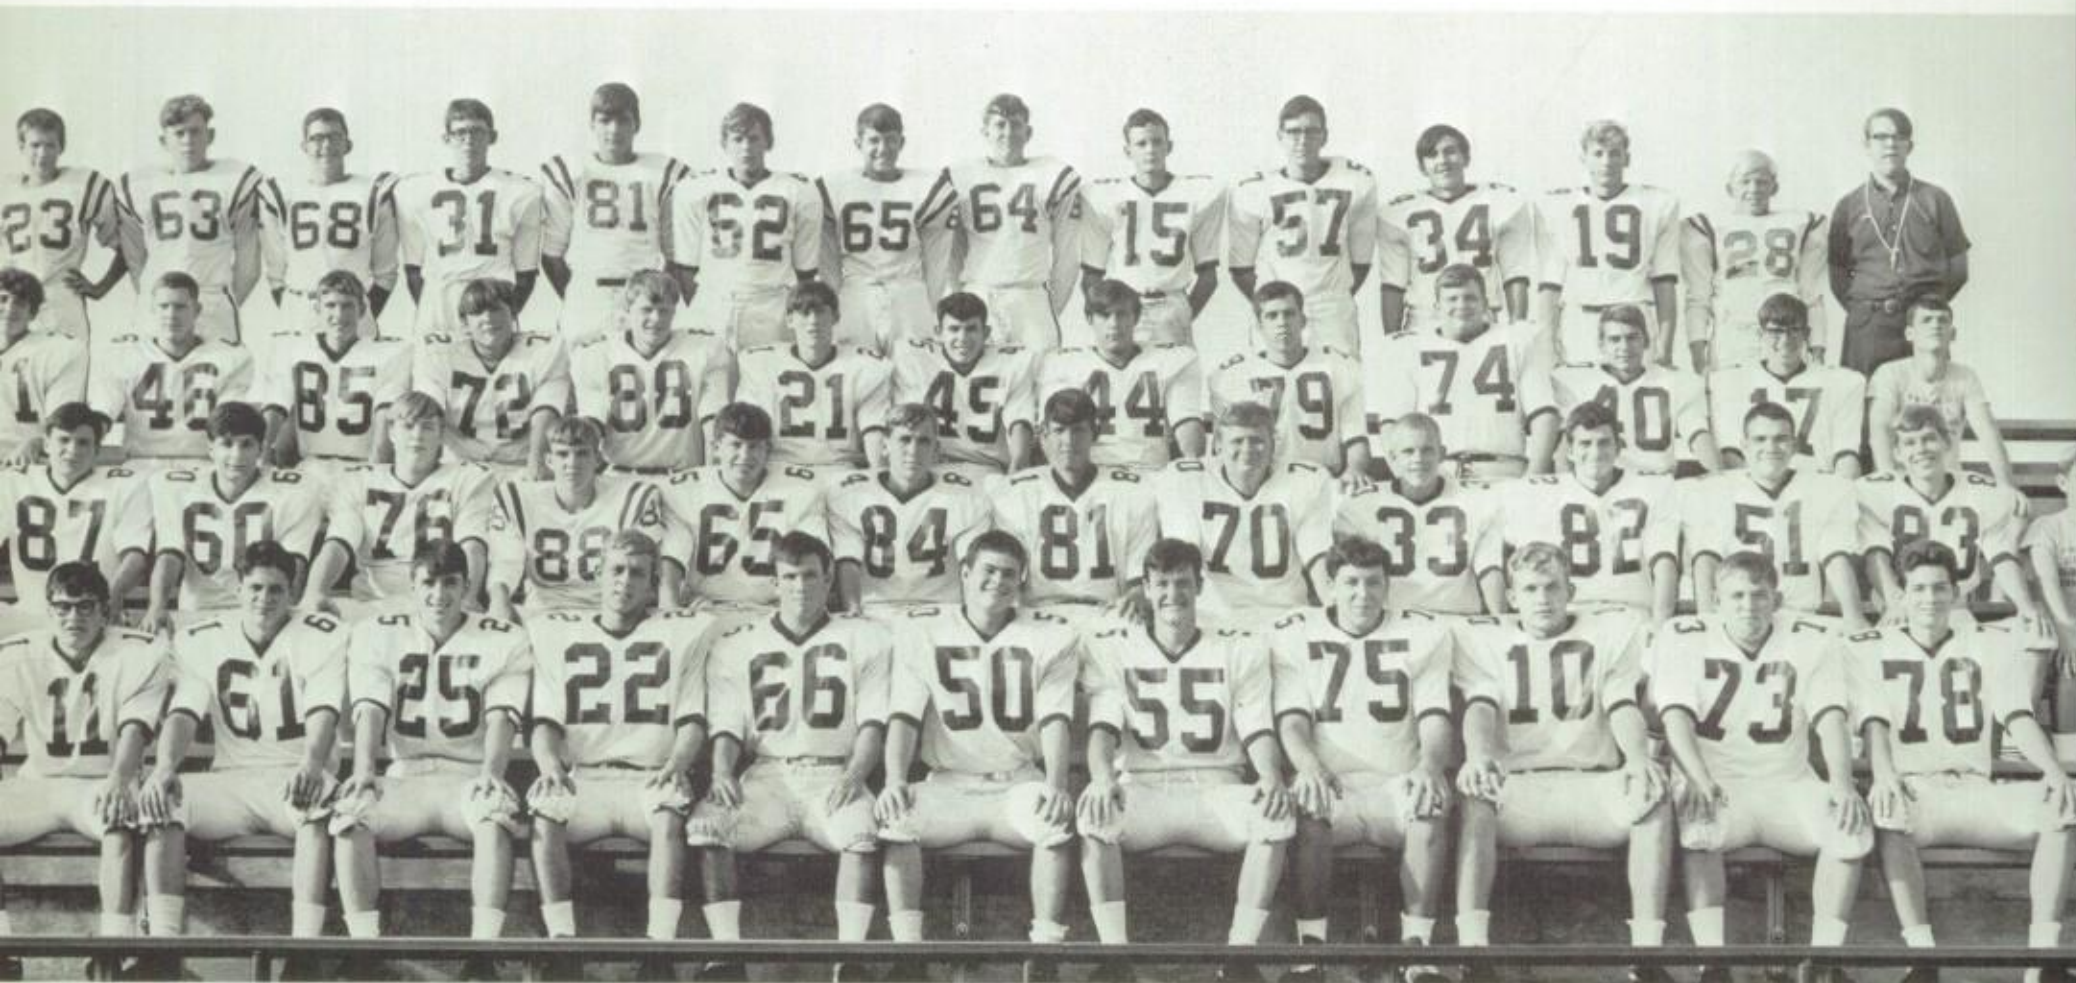

Two public performances highlighted the concert season of the Russell Band of 1969. The band, under the direction of Ronald Irwin, presented their annual Christmas Concert in the school auditorium in mid-December; five months later, their Spring Concert was held in Ashland's Paramount Theatre for the first time. Their visit to Coney Island in May was another "first." The judges of the Morehead Concert Band Festival rated them as "excellent," and their final performances were those at the Baccalaureate and Graduation exercises at the close of the school year. The long hours of painstaking practice invested by the '69 Concert Band caused a step forward to be taken in achieving an appreciation of music — both by the members themselves and by those who heard them play.

The 1968 season for the Russell gridders got off to a flying start with a 26-7 victory over Wurtland, followed by a 14-7 defeat of Louisa. The next foe for the mighty Devils was an excellent Raceland team, which they managed to tie 13-13 in a grueling battle. In their next outing, Russell traveled to Morehead to defeat Rowan County 19-13. The next two games ended in defeats as the Devils were downed 32-27 by McKell and 20-6 by Covington Catholic. Next, Russell overpowered the Catlettsburg squad 54-0. The remainder of the season proved disappointing to all concerned, as the Devils lost the last four games on the schedule — Paintsville won 14-6, Simon Kenton spoiled the traditional Homecoming activities 38-7, arch-rival Ashland defeated the Devils 28-0, and Boyd County embarrassed Russell 45-6. Even though the season's record was 4-6-1, talent was displayed that was indicative of past football squads. Bad breaks and injuries were the only things that kept the Football record from being much improved.

BASEBALL AND GOLF TEAMS SUSTAIN

This year's baseball team was termed as the finest team in the history of Russell High School. They played well the entire season and had high hopes of going to the State Tournament. Losses in the season came at the hands of Ashland, Boyd County, McKell, and Erlanger. Russell had two wins over St. Joe, Louisa, and Catlettsburg; they had one victory over Fairview, Raceland, McKell, and Greenup. Russell's hopes for a trip to the State Tournament were quickly snuffed out in the District Tournament as Don Gullett, the top pitcher in the state and possibly the nation, stopped Russell on 2 hits for a 3-1 victory for McKell. It was truly a fine season for the Devils. A host of seniors played on the team — John Jones, Jeff Creed, Dave Cleaver, Rocky Lane, Dale Ferrell, Bobby Wages, and Shorty Boyles. Jeff Creed and John Jones handled most of the pitching duties. The timely hitting of Danny Rice and John Ward coupled with the consistent hitting of Jim Ward and the fielding of Bill Humphrey and Dave Cleaver added to the team's success. Brothers John and Jim Ward completely dominated the awards as they went home with all four — Jim Ward received the leading hitter and Mr. Clutch award, with John getting the Most Valuable and Mr. Consistent Award. This was the last year for Coach Heulyn Bishop as head baseball coach. He was loved by all of his boys and he did a fine job with this year's team.

An over-all record of 15-2 crowned the activities of Russell's '69 Golf Team. Led by top scorer John Creech, the team conquered each of their opponents in regular season play. With a total score of 312, they defeated Holy Family's 335 at a match held in the early spring; they then proceeded to defeat McKell twice, Boyd County twice, and Catlettsburg once. The Sixteenth Region Golf Tournament, held at Hazard, Kentucky, in mid-May, served as a "finale" for them; the Devils topped nine of the eleven teams in the competition. Their 340 placed them ahead of Holy Family, Boyd County, Pikeville, Breckinridge, Jenkins, Prestonsburg, Paintsville, Johnson Central, and Elkhorn City. Their only defeats of the year came at the hands of Ashland and Hazard — the champion and runner-up, respectively, of the tournament.

Mr. Wallenfels gets so hungry en route that he just can't resist eating the candy he bought for his children.

Terry Frazier and Vicki Pelphrey enjoy the tour of Washington, D.C.

SLEEPY SOPHISTICATED SENIORS

Bus driver, Jim Williams, opens the present purchased for him by Senior girls.

Pam Webb appears to be getting a little "stocky."

Katrina Marshall, Lewis Shoemaker, and Bonnie Daniels rest on the lawn while waiting for FOOD at the Information Center in Williamsburg.

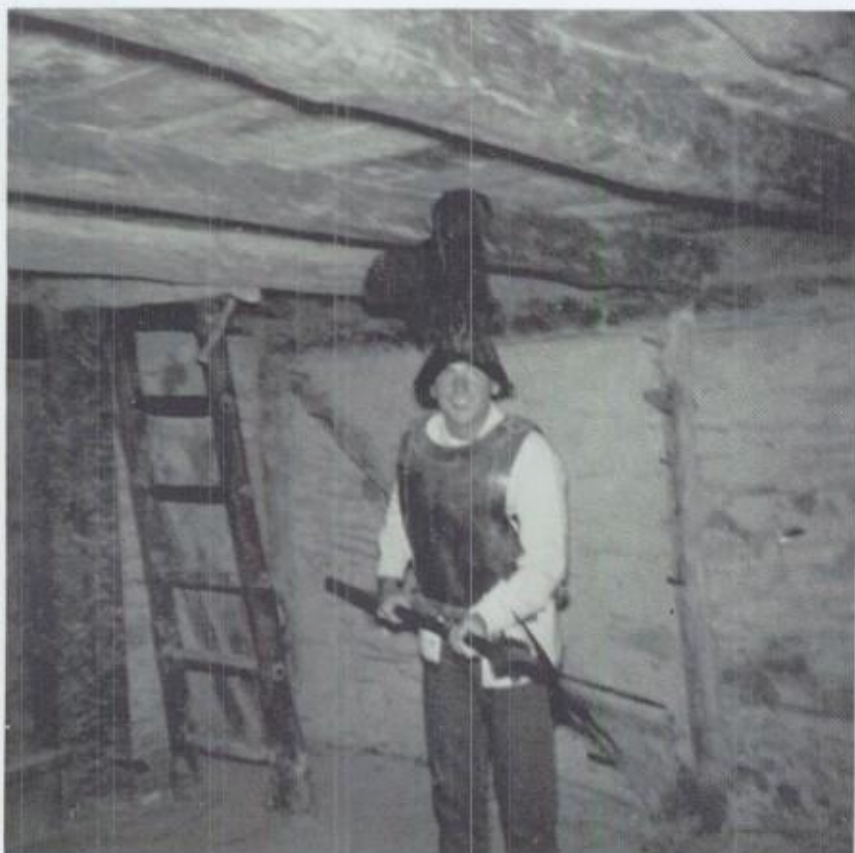

Sandy French and Debbie Fultz relive Civil War days at New Market Battlefield.

Members of the girls' bus prove that sleeping can be accomplished in many ways.

SEE STUPENDOUS SIGHTS

Charles Pepper nearly "drowns himself" in enjoyment at Jamestown, Va.

Bucky Stevens, Leslee Mourer, and Sondra Abbott enjoy the "wonderful" food at Luray Caverns.

Curt Robinson has a trained eye for a "thing of beauty."

Leading the Sophomores into the oncoming tide of increased opportunities and increased responsibilities were Paula Eyre, Treasurer; Beverly Brelsford,

This year's Sophomore class favorites — Jeff Barber and Luann Wallace.

Secretary; Cathy Franz, Vice-President; and Jamie Sparks, President.

CLASS OF '71

Leaving behind the yoke of freshman status, the Class of '71 entered the 1969 school term relatively adjusted to the conditions imposed by high school life. Its members, following the pattern set by most of Russell's past Sophomore classes, have involved themselves in school affairs to a much greater extent; they served as both participants and leaders in a number of activities — academic, athletic, and extracurricular. Many challenges confronted them. They were, for example, Russell's first Sophomores to be offered chemistry and physics courses. "Two down and two to go" describes the situation of the Class of '71 at the close of the school year.

John,
 No one is to read this but you.
 John you are the apple of my eye, you have been and
 you and only you will always be. You are just
 one of those guys that I can always turn to when
 something goes wrong. Please always be there, and
 I will always be there for help. You know how I
 feel so I don't really think I should write it down so
 everyone can read it. John I hope you don't forget all the
 fun we have had together, and all the things
 we have done together. Maybe one of these days
 we will be able to do some of those things
 again. An one of the most important things
 don't and you can't forget those great years at
 Big R.H.S. Well John you are a really great guy
 and the gal who gets you are really
 getting a good thing. So John be good
 like you always are. Good luck in what
 ever you do. Love ya tons

School is never out at Armco

Education doesn't stop with a high school diploma. Or a college degree. Learning is a lifetime process.

Forty thousand people work for our company throughout the United States and the world. Right now, ten thousand of them are engaged in some kind of self-improvement

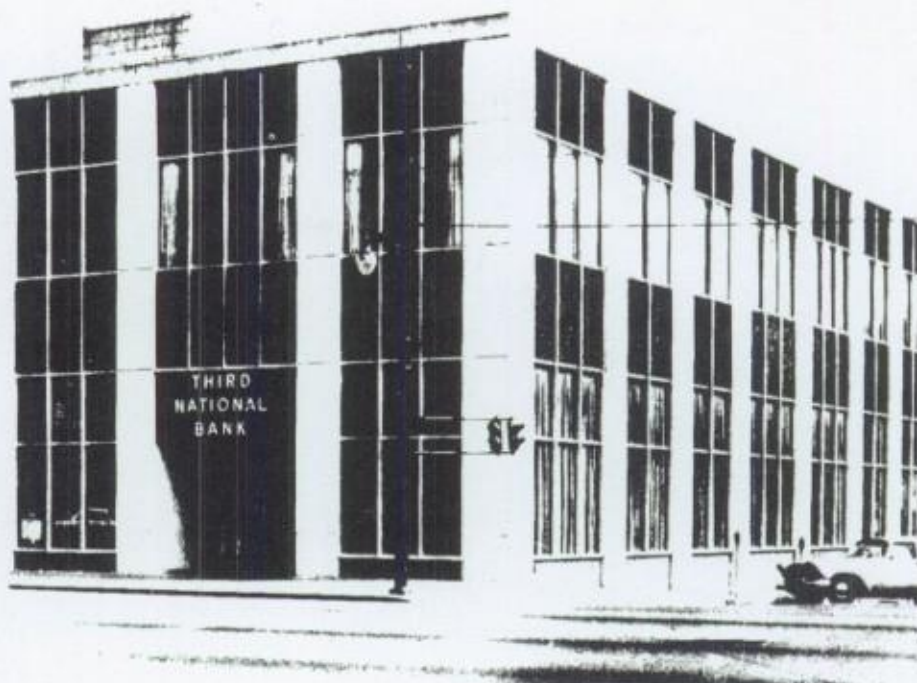

program. They attend night classes, learn new technical skills, work for college credit, take management training.

These people know that education opens the door to better jobs, a brighter future and a great deal of self-satisfaction. Sounds like a rewarding idea, doesn't it?

Co-editors, Pam Webb and Bonnie Daniels, take a temporary rest during a hectic day of helping the photographer.

Marcia Worthington, Pam Webb, Fred Mayne, and Bonnie Daniels discuss a page of the Student Life section of the yearbook.

EDITORS' MESSAGE

Yes, 1969 was truly a "year of challenge" in many aspects: national, educational, and personal. For example, American people were once again faced with the difficult task of selecting the nation's leader, while here at Russell High School, Coach Meredith started to rebuild the basketball team. These challenges were matched and often surpassed by the challenges met by students, including that of securing the academic standing necessary for graduation. At any rate, we, the co-editors of this 1969 Revilonian, have done our best to record the numerous challenges which presented themselves at Russell High.

Though this was certainly not an easy job, we thoroughly enjoyed it. Contributing to this was the fact that we could work together, for "two heads are indeed better than one." But we could not have succeeded without the help of these people . . .

— Jennifer Garda, Lynn Brackman, Jinny Crawford, Patty Waddell, and especially Sharon Cripple and Anna Bailey, our very industrious ad collectors who secured the necessary funds for the publication of this book.

— B. McMillan, Arthur Greene, and especially Ron Carroll, whose excellent photography is displayed throughout this annual.

— The Ashland Daily Independent and the very generous Ironton Tribune which supplied various sports shots.

— Judy Ellington, Kay Roberts, Lora Billups, John Ferguson, Lynn Galloway, and especially Fred Mayne who worked with us during the hot summer days.

— Mr. Gordon Caldwell with all his tremendous yearbook knowledge.

— Mr. Firestine and teachers who allowed us to make chaos of a school day with our picture-taking.

— Miss Fouts, our advisor, who devoted much time and effort to continually lead us toward our ultimate goal.

— Last, but most important, you the subscribers and patrons who have supported this book, and without whom this book would not have been a reality.

We feel that we have met our challenge to the best of our abilities. We hope that you agree.

Bonnie Daniels

John,

To one of the sweetest, greatest, and
tuffest guys I could date. I hope
we will ~~be~~ be together for a very
long time. Say: forever! There are
no words for the way I feel about you.
I guess I'm the only one who ever
will really know. It's really that
complicated. Always remember all
the great times we've had together. (Forget
the bad, though there has only been a few).
~~_____~~. I've
taken everything you've said and put it
all together. I'm really building on it, so
you better not let me down cause I'll
never forgive you. ^(I THINK YOU LOVE ME)
^(NOT REALLY, I WILL ALWAYS FORGIVE YOU). Also
don't forget the 12th. I really don't see
how you could. I never will, and as far
as that's concerned I'll never, and I
mean never forget you or all the things
we've done together. I just hope you
will never hurt me. That's one thing
I won't be able to take, and that's
one thing I could never do to you, cause
you've been so wonderful and great.
Sometimes it seems so much like a
beautiful dream, but it's really true
and I'm so very glad, glad, glad!!
Take care of yourself and never
change your ways. I'll always love
you some, even if we do break up,
but it's never. OK? OK Love Ya Always

RUSSELL HIGH SCHOOL STANDS READY TO

LEARNING IS THE MOST CHALLENGING

Cathy Seshar makes practical application of her Home Economics training.

Beta student, Patty Waddell, diligently prepares for her next class.

Rocky Spain and Lori Catlett investigate the principles of scientific experimentation.

OF ALL HIGH SCHOOL ACTIVITIES

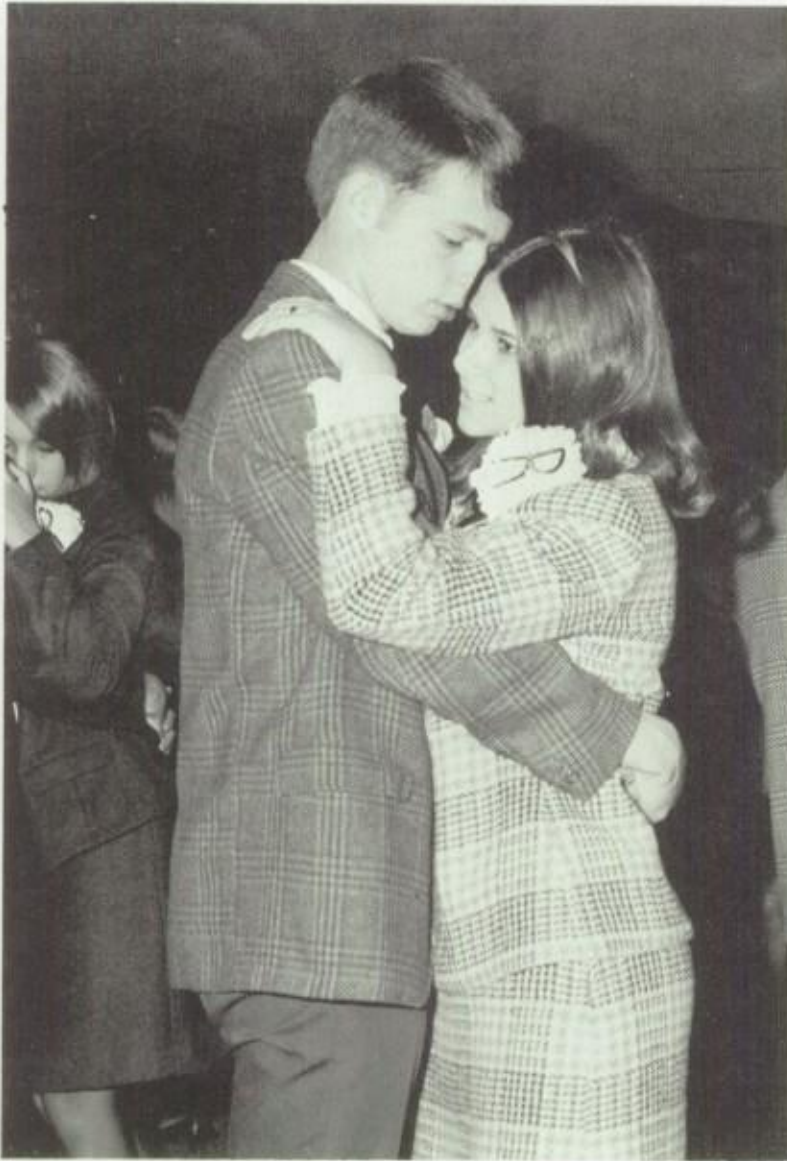

A beautiful spring day makes learning much easier for Andrea Moore and Nannette Stevens.

Lora Billups prepares for the Spring Band Concert held at the Paramount Theater.

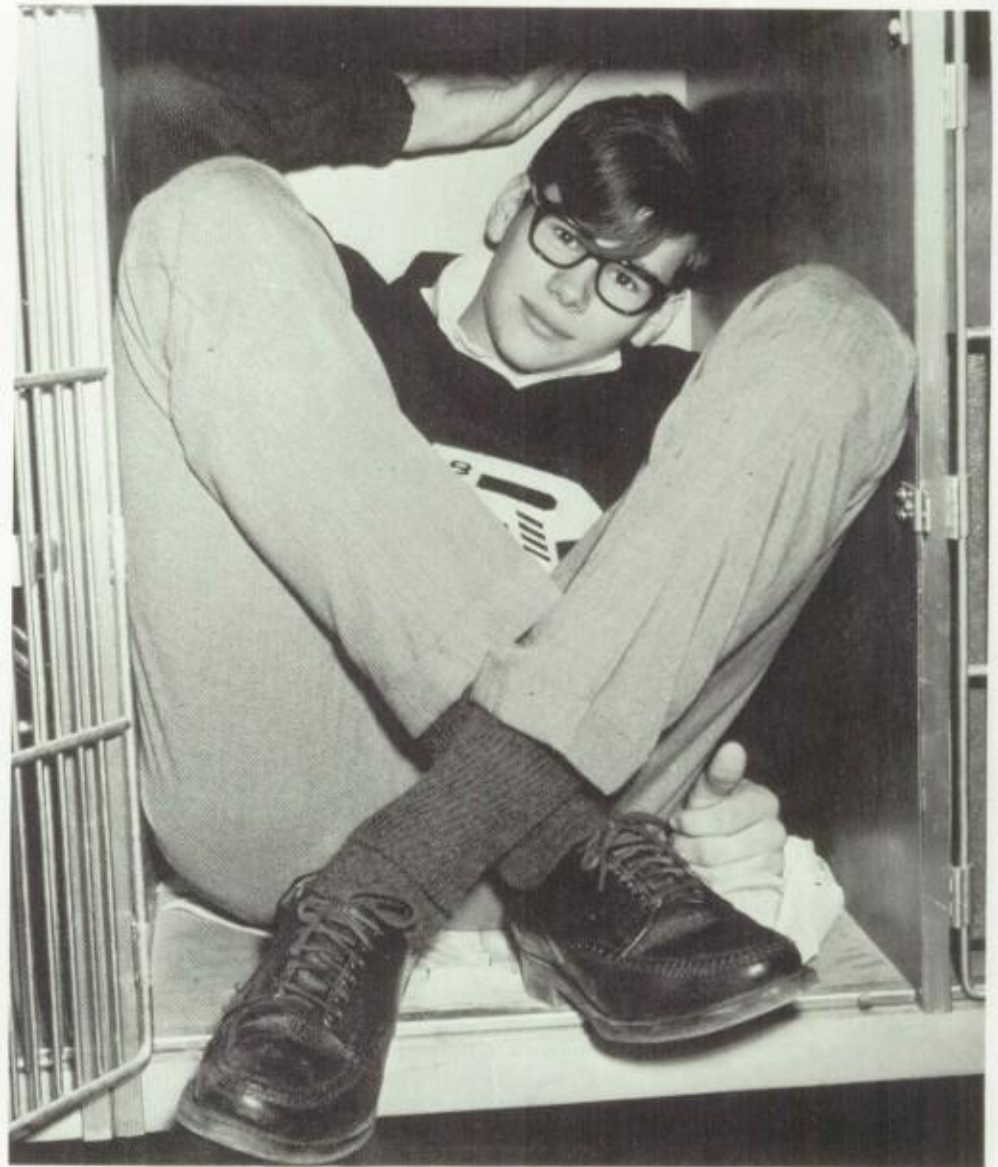

David Frazier instructs Mike Lykins as to the proper use of an important industrial arts machine.

ALL PHASES OF HIGH SCHOOL LIFE

Susan Hunter, Homecoming Queen candidate, and Mark Fosson enjoy a fun-filled evening at the Homecoming Dance.

It could be that Chuck Dewees has found his true habitat.

Don Fleu's Datsun exhibits the fact that even Super Cars have Red Devil spirit.

CHALLENGE STUDENTS TO BELONG

Several enthusiastic students come together to form the traditional Russell "R."

Vicki Hale, Debbie Napier, Leslee Mourer, Susi Simpson, Libby Conley, and

Kathy Walthour engage in an enlightening conversation in the cafeteria.

SCIENCE DEPARTMENT PROVES TO BE

The Science Department has proven to be one of the best in Kentucky. This is backed by the fact that, in the last two years, Russell students have placed first on the science tests administered at Marshall University and Georgetown College and second at Eastern Kentucky University.

R.H.S. students have many science courses from which to choose — Introduction to Chemistry and Physics, Chemistry, Physics, Biology I, and Advanced Biology. These varied subjects, combined with dedicated instructors, verify Russell's excellence in this field.

Mrs. Tackett, Steve Francis, Sharon Pepper, Meredith Fields, Mike Moore, and Dave Miller enjoy the antics of their pet hamster.

Mrs. Kendall grimly wonders if she has erred in teaching Mark Fosson and John Buckley to distill alcohol.

At Parents' Night, Mrs. LeBrun points out to Mrs. Robert Gray the attributes of her son.

The varied courses offered by Russell's Math Department prepare students for diverse phases of life. Though the majority of students who sign for Algebra I and II and Advanced Math are college bound, these classes, combined with Geometry and its laborious "proofs," are designed to instigate a natural and orderly pattern of thought. Also available are Math I and II and Business Math, each course being so directed as to arrest the interest of the student. Russell certainly has right to take great pride in this department.

bord is having with his modern math.

SOCIAL STUDIES RELATE THE HAPPENINGS

The social studies department plays an important part in our educational program. Through our studies of World and American History, the past seems to come alive, and through knowledge of the past we are able to make wiser decisions concerning the future. Studying American Government gives us a better understanding of democracy and makes us better able to fulfill our duties as citizens. Economics, Psychology, and Problems of American Life help us to understand others and overcome the problems of everyday life. In short, social studies is extremely useful to each student.

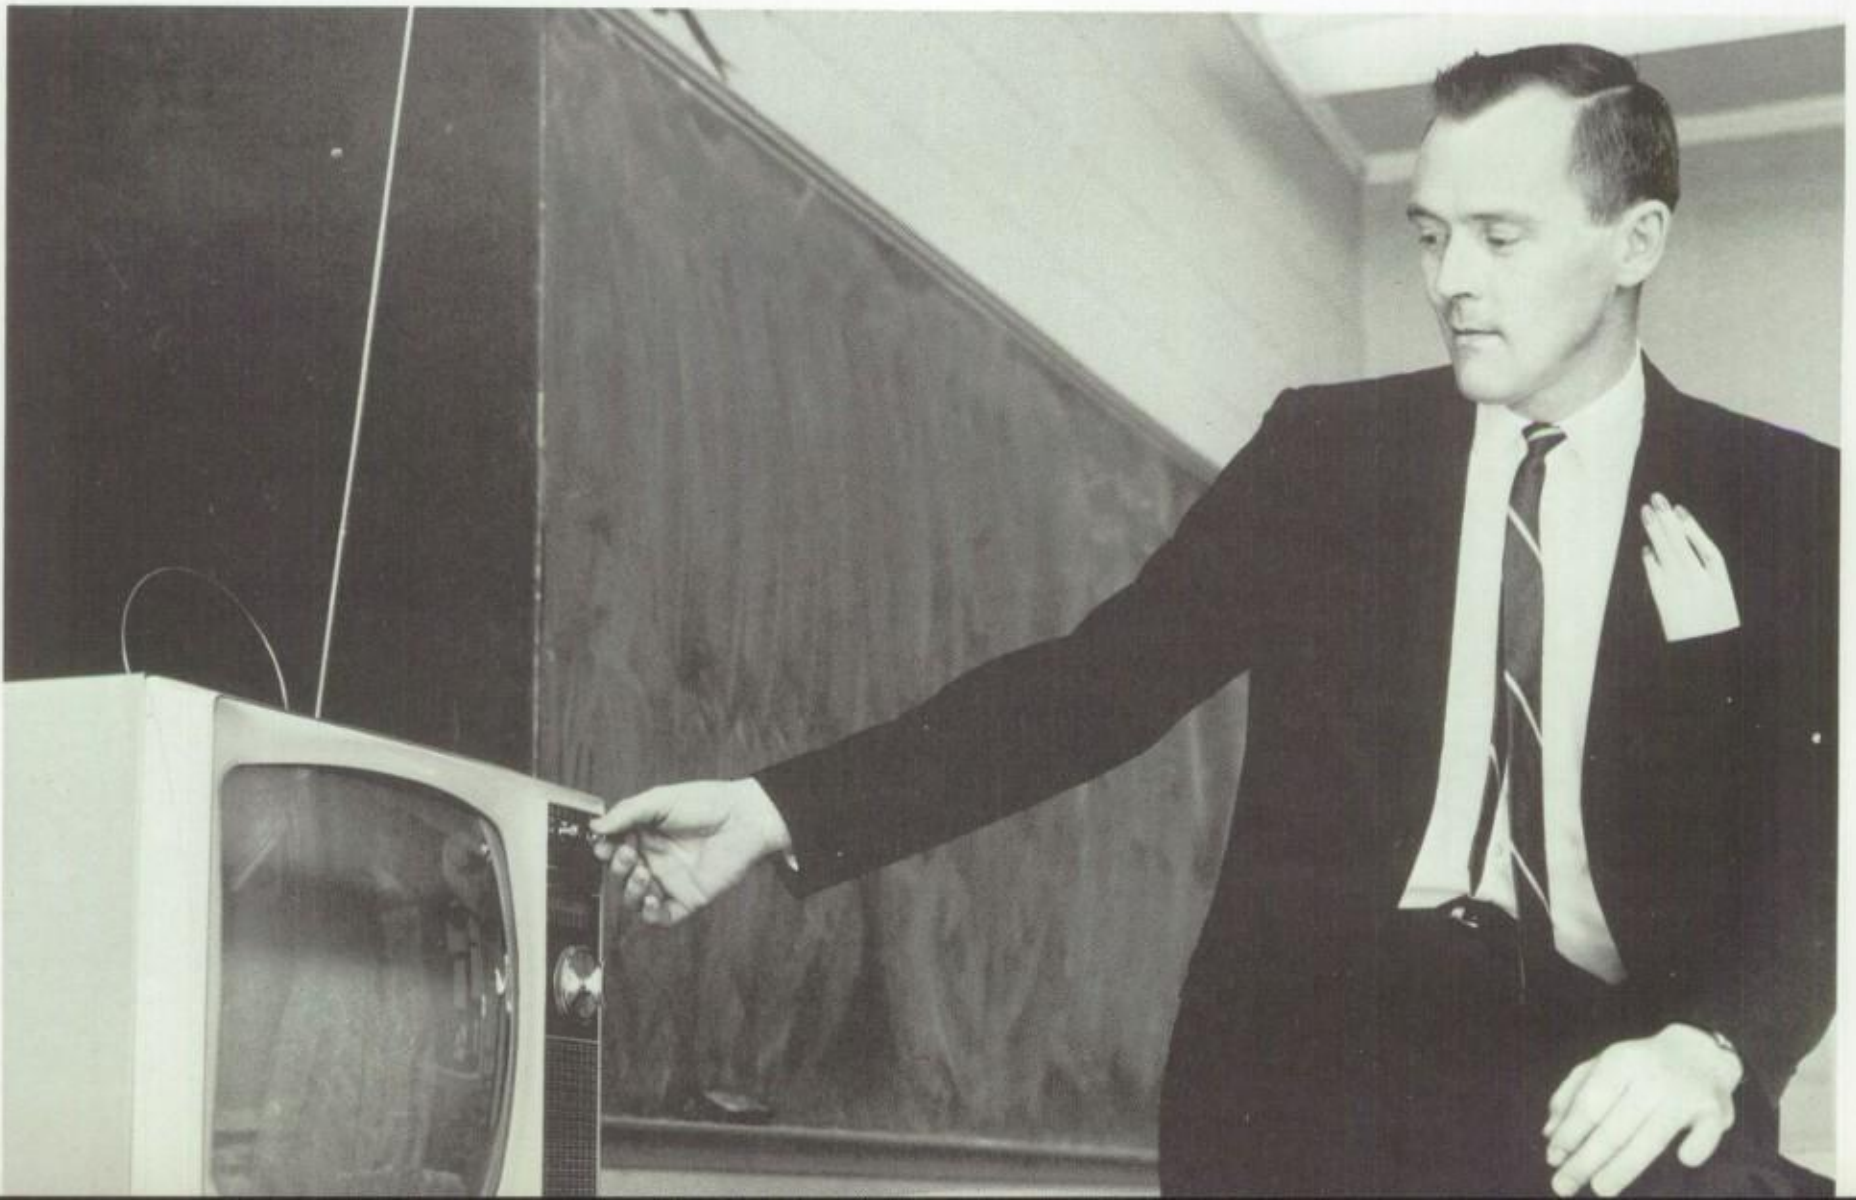

Mrs. Dickerson discusses very detailed points of the Civil War with Mike Welter and Donna Gamble.

Mr. Holsinger enlightens his class on "how to become a witch" while studying the Salem witch trials.

Mr. Wallenfelsz uses one of his three hands to tune in "Romper Room" on

educational television for his smart Senior homeroom.

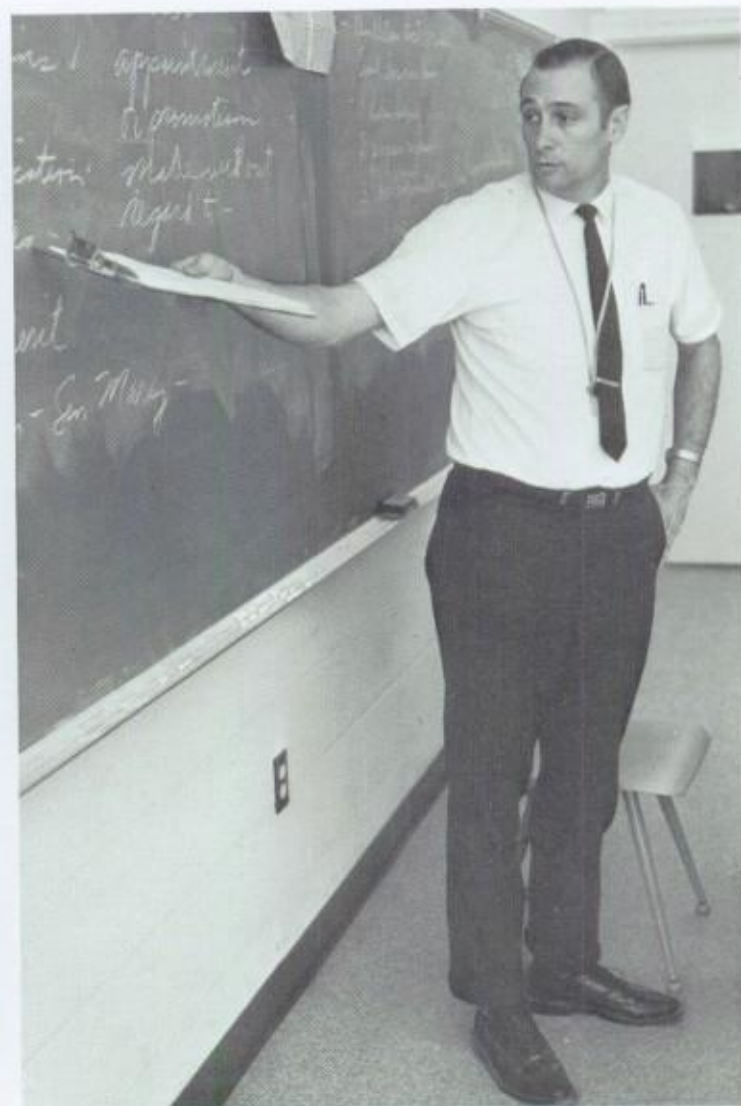

OF THE PAST TO THE EVENTS OF THE FUTURE

Mrs. Bingham points out a historical location to her fifth period World History class.

Mrs. Watson silently ponders over what grade to give Donna Short on an oral report about the Roman Empire.

Mr. Bishop patiently explains the intricate workings of our government to his American Government class.

STUDENTS TO EXPRESS ORIGINAL IDEAS

Mr. Keith emotionally demands for his class to stop talking.

Ideas — their formulation and communication — are the chief concerns of Russell's English Department. Each of its three courses attempts to encourage the careful yet independent thinking needed for "formulation." In addition, they can give the student a better understanding of "communication" through their focuses on speaking (Speech), reading abilities (Reading), and the study of grammar, literature, and writing (general English). This department, Russell's largest, has exerted a great deal of effort to fulfill its teaching responsibilities.

LIBRARY AND COMMERCIAL DEPARTMENT AID

The Library and Commercial Department go "hand-in-hand" in helping students produce well documented, neat term papers. Miss Fouts, the librarian, is always ready and happy to aid students in finding any books, pamphlets, magazines, or newspapers to back up their information, while commercial instruction prepares them for producing the unblemished "finished product."

But this is not the only purpose of these departments. The Library also provides numerous realms of enjoyment, while the Commercial Department, which offers Typing, Shorthand I and II, Business Math and English, and Office Practice, trains students for future employment.

Mrs. Hughes stands in a typical position as she prepares to give her students a speed test.

Mrs. Rice copies a Business Math test on the board.

Mr. Jones prepares to call a halt to a 5 minute timed writing.

Home Economics and Industrial Arts are two departments which provide invaluable preparation for the future in teaching the student useful skills. Extensive instruction is offered in the form of Drafting, Woodworking, General Shop, and four years of Home Economics. Russell students have displayed increasing interest in these subjects. This year it was necessary to acquire, for the first time, a second teacher in each of the two departments.

Mr. Thurmond shows a very difficult sketch to Larry Mayne.

Miss Washington aids Marcia Worthington in scheduling her next year's classes.

The monumental task of aiding students in the solving of their personal problems, coupled with the lending of assistance to those who are college-bound, is the difficult and taxing job of our counselors, Mrs. Reed and Miss Washington. Included in this work also are the sending of transcripts, the interpreting of ACT, PSAT, and other test scores, and recommending students for scholarships. If not for their many competent assistants, these counselors, though quite skilled and talented themselves, would not be able to do such an excellent job in helping others.

LANGUAGE STUDY BINDS THE WORLD TOGETHER

Mrs. Amis discusses the conjugation of the verb **amo** with Paul Bailey and Robby Tanner.

An ultimately important part of real education is the gaining of the ability to understand and communicate with others. This ability can, in part, be acquired through the study of language. Russell possesses a competent Language Department that enables students to take two-year courses of any of three foreign languages — Latin, Spanish, and French.

Though pronounced "dead" by many, Latin does live on, helping to give those who study it a better understanding of Western culture and its Latin-derived languages — including English. The Spanish and French courses focus upon particular countries, and attempt to acquaint students with their history, customs, and languages.

Mrs. "O" instructs her French I students **avec un sourire**.

A world filled with thrilling and vibrant music, stangely hidden and grotesque creations, stone figures, and endless hours of practice is the environment of the students of the Arts. Russell High School offers many courses to produce and improve this environment. These include Band, Glee Club, Mixed Chorus, Music Appreciation, and three years of Art. The teachers of this department aid students by devoting creative inspiration and direction.

STUDENTS REVEAL TALENT IN FINE ARTS DEPARTMENT

Dwight Williams, Cookie Bailey, Harold Branham, and Danny Heaberlin help Mr. Irwin select a new album for Music Appreciation class.

THESE PEOPLE ADD TO THE EFFICIENCY OF R.H.S.

Our cooks, Mrs. Salyers, Mrs. Vallance, Mrs. Fairchild, Mrs. Viola Clark, and Mrs. Rosa Clark seem to be saying, "Double, double, toil and trouble."

Our cheerful cooks worked daily to prepare delicious and nutritious lunches, which were enjoyed by students and teachers alike. At the same time, Mrs. Taylor tackled the tremendous task of handling the lunchroom business, while our friendly custodians worked busily keeping our school "sparkling clean." Russell is truly indebted to these efficient people.

Mrs. Taylor appears to enjoy counting the money from the cafeteria.

The school is kept spotless by Mrs. Wellman and Mrs. Bailey.

COLLEGE NIGHT OPENS YEAR OF

With the induction of new members in winter, Russell's 1969 chapter of the National Beta Club became the largest ever at the school. The club, whose members are chosen according to specified requirements concerning academic achievements and character, undertook a number of service projects in an attempt to "lead by serving others." Betas sponsored a "College Night" in the fall to give interested students or parents an opportunity to talk with representatives from seven different colleges. They supervised a Thanksgiving program for a school assembly in November. In addition, they provided guides for the year's four "parents' nights," honor guards for Graduation, and peanut salesmen to boost the funds of the March of Dimes. As in the past, the club sponsored a Sweetheart Dance in February, attended the state Beta Convention in December, and supervised a Variety Show.

Kay Roberts and Bill Gallion speak with a representative from Murray State University at College Night.

F.T.A. AND HOME EC. CLUBS PREPARE STUDENTS FOR FUTURE

A closer look at the phenomena called "education" was the chief result of this year's activities by Russell's chapter of the Future Teachers of America. During the fall, its members made a trip to Greenbo Lake State Park, where they held a new-member initiation; they also visited a nearby one-room schoolhouse. An institution of a different nature received their attention in April when they observed the fascinating techniques used at George Washington High School in Charleston, West Virginia. As in the past, the club sponsored a Teacher Appreciation Week near the close of the year.

The Home Ec. Club participated in a number of activities in an attempt to make its members more familiar with the essentials of home economics. In late fall, they initiated a cookbook sale. Highlighting their work, however, was the Valentine Party they gave for the Cerebral Palsy children in February.

This year, as in the past years, Russell's student assistants accepted the responsibility of carrying out a variety of tasks at the school. The library assistants worked with Miss Fouts to keep the library a pleasant one in which to read, study, and research. Much of the "red tape" and numberless duties necessary to efficient office work were cared for by the office assistants. And the work of the cafeteria assistants enabled the cooks to devote more of their time to creating their familiar culinary masterpieces.

The Revil Staff, whose members are all the girls in the office practice class, published an issue of Russell's school paper every month of the '69 school term. A thorough coverage of the year's events was their goal, and much time, effort, and energy were given to achieve it.

Permeating the many activities of Russell's Mixed Chorus and Girls' Glee Club throughout the '69 school year was a singular purpose — to "enjoy singing." These groups, whose members are students in the Vocal Department, donned new uniforms in the early fall. They presented two public concerts in the school auditorium at Christmas and Spring; in addition, they performed for a number of local organizations. The Mixed Chorus sang at meetings of the Woman's Club and Rotary Club of Russell shortly before Christmas, and the Glee Club gave their services at the EKEA Legislative Workshop in May. As their annual outing, the Glee Club made their first visit to Coney Island. The two groups rated an "excellent" at the state Music Festival in the Spring, and they ended the year with their performances at the Commencement exercises.

RUSSELL RATES AS BEST CHEERLEADERS IN 16th REGION

Vicki Fields and Mary Jane Reed flash a big smile at the crowd, even though they are attempting a painful maneuver.

The 1968-69 Russell High School cheerleading squad represented the ultimate in cheerleading skill. Under the guidance of Mrs. Pat Blanchard, these six dedicated girls spent all their spare time, during the summer and throughout the school year, practicing. Their only reward was the inner satisfaction that their boisterous cheers and complicated maneuvers, used to lead the pep section, contributed to the success of Russell's athletic teams. In competition with other pep organizations, the cheerleaders once again proved their excellence. In 63rd District competition, the Devil cheerleaders were selected to vie for the crown of the best cheerleaders in the 16th Region. At the 16th Regional Competition, the K.P.O.S. (Kentucky Pep Organization Sponsors) judges chose the cheerleaders as representatives to the State Cheerleading Championships. Through their trophies and spirit, this year's cheerleaders proved that they were one of the best squads in the state.

MOST SATISFYING SEASON

Fairview's Russ Thompson exerts supreme effort to prevent Frank Hollan from getting an easy basket.

The Russell Red Devil basketball squad, after losing their first six players from last year's State Tournament team, was expected to be one of the weaker teams in the area, and many fans thought the team would be fortunate to win five games. However, the Devils surprised everyone by winning 16 games, while losing only 11. The cagers started off the season by upsetting Catlettsburg, but then proceeded to lose three straight to Fairview, Campbell County, and Highlands. The Devils broke the losing streak while on their way to winning their 5th consecutive N.E.K.C. Tournament title, with victories over McKell, Boyd County, and Fairview. After tournament play, Russell extended its winning string by defeating a highly rated South Point and Menifee County. The Devils then lost four in a row to McKell, Fairview, Ashland, and Raceland. Russell then changed to the winning ways by upsetting Wurtland. The next victim for the Red Devils was Boyd County, with Holy Family and Erlanger following. However, the winning streak was stopped by McDowell; and Raceland again defeated the Devils. As is always true to form, the basketball squad rebounded to defeat Louisa. Then in one of the highest scoring games in recent Red Devil history, they downed McKell 107-104 in overtime. To close out the regular season play, the Devils outdistanced Wurtland and Hitchens. Then it was 63rd District Tournament time. Russell, who had represented the 16th Region in the State Tournament for the last two years, was eliminated by a determined Raceland team. Yes, it was a surprising year for basketball at Russell High School. The greatest tribute to this team was coach Meredith's words "I have gotten more satisfaction out of the record of this team than any other team I have coached."

RUSSELL PRODUCES ONE OF BEST

1969 RED DEVIL B-TEAM — (Row 1) Rick Blankenship, Paul Leake, John Kinner, Coach Steve Towler, David Runyon, Bill Kirk, Jim Cantrell, (Row 2) Greg Smith, Harley Yates, Alan Biederman, Eddie Bridges, Billy Parker, Paul Brad-

ley, Neal Walker, Joe Dillow, Charles Smith, Gary Wilhelm, Jim Ward, and Tim Clark.

During a year when many of Russell High School's Athletic teams had record below par, Russell's B-Team basketball squad compiled an impressive record of 17 wins, with only one defeat. Before the 56-42 loss at the hands of McDowell's Junior Varsity, the Devils ran off a string of 15 straight victories. After their lone defeat, the B-Team ended the season on a winning note by defeating both Hitchens and Wurtland. Not only did the B-Team compile an excellent record, but they also showed signs of becoming a successful team when they graduate to the Varsity. The team, as a whole, averaged 55 points per game, which was 21 points more than their opponents and hit 58.4% of their free throws. As individuals, the members of the B-Team showed that they had a sound understanding of basketball's fundamentals — 7 members of the team made over 50% of their free throw attempts, 6 players sunk over 40% of their field goal attempts, and 3 of the team members scored over 150 points during the season. The fine record of the team and the individual statistics of the team indicate that there is a bright future for the basketball program at Russell High School.

John Kinner taps in a basket during a warm-up drill preceding one of the B-Team's games.

DEVILS CAPTURE 3rd PLACE

Dave Hollan, Mike Eicher, Charles Douglas, and John Jones were members of the half-mile relay team that won a first place in the N.E.K.C. Track Meet.

Coach Walters instructs several members of the track team on the proper way of starting a race.

Tom Billups, Dan Abrams, Rocky Lane, and Carl Keyes brought Russell a first place in the mile relay at the N.E.K.C. Track Meet.

Members of the track team watch the beginning of a 'hundred yard dash.'

IN REGIONAL TRACK MEET

John Jones clears 5'10" as he competes in the State Track Meet. This jump landed him a 5th place finish in the high jump.

In 1969 the Russell Red Devil track team participated in ten track meets and finished high in all but the Ironton Invitational. The initial contest was a relay meet in which Russell downed Boyd County 15-5. The next challenge for the Red Devils was a triangular meet with Ashland and Raceland, which brought a second place finish. In the Chesapeake Invitational against teams from Ironton, Rock Hill, Jackson, Meigs, Chesapeake, and Boyd County, the track squad finished fourth. The next outing landed the Devils a second place against Boyd County and Chesapeake. Their next decision was a decisive 79-40-34 victory over both Johnson Central and Raceland. The thinclads again took second place in a meet with Boyd County, Raceland, and Grayson. In the final regular season meet, Russell traveled to Grayson to take a 73-48 win.

In the N.E.K.C. track meet, which was held at Morehead State University for the first time, the Red Devils again finished second to Boyd County. The 1969 Sixteenth Regional Track Meet, also held at Morehead, brought Russell a third place finish.

The total success of the track team was contributed to by the many individual winners. The most consistent of the winners was John Jones, who won the Regional high jump and finished 5th in the state event. Many freshmen and sophomores played a tremendous role in the track program this year. This young team holds the key to a bright future for track at Russell High School.

Sandy Bennett practices throwing the discus so she can go out for the girl's track team, while Vicki Pelphrey waits her turn.

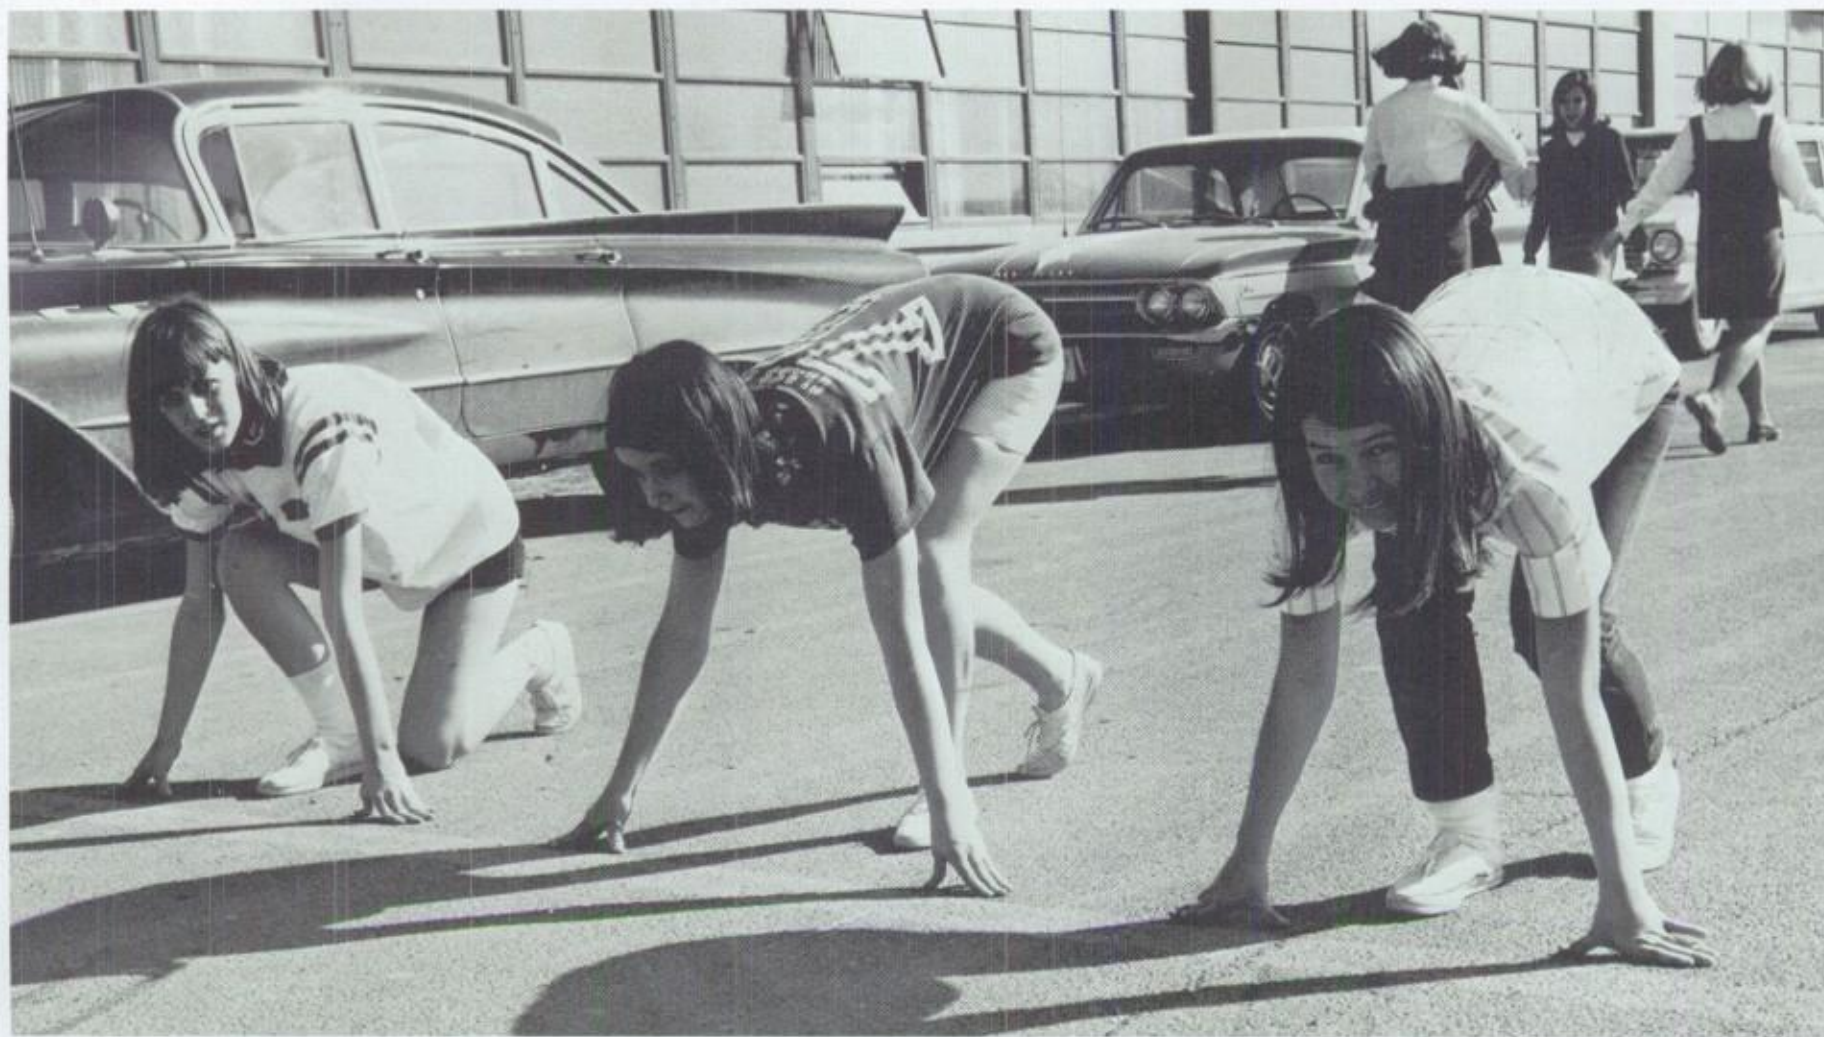

Paula Eyre executes a lay-up to end a practice drill, while Sherry Hensley, Cathy Sexton, and Bev Brelsford look on.

The Challenge of Belonging

LITTLE STUDY IS REQUIRED FOR

Jim Roberts, Randy Harris, and Danny Collins purchase milk from Mike Caudill during the first lunch period.

Becky Hanner drinks her WB milk, which is "good to the last drop."

Debbie Lawson checks to see if Mrs. Taylor has given her the correct change.

Garnet Dillow spends her noon hour thumbing through a movie magazine.

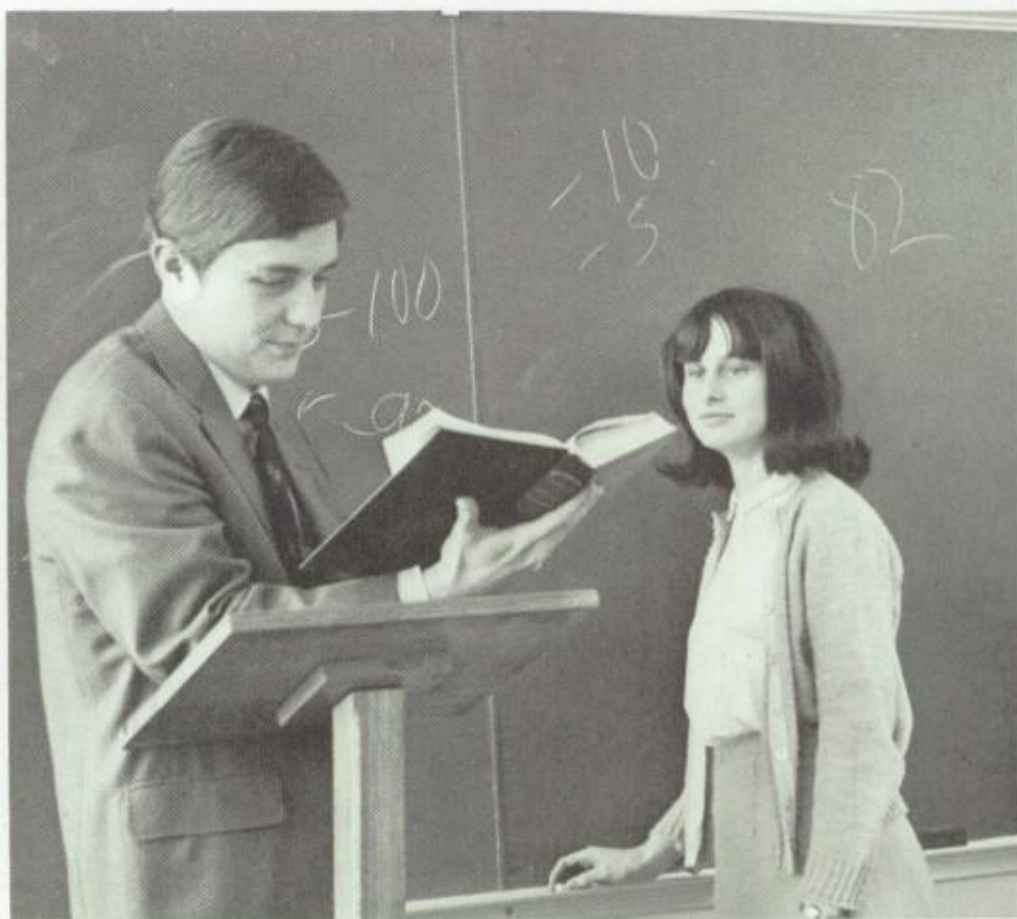

Lynne Preston obtains help from Linda Cogan in heming her skirt during Home Ec. class.

STUDENTS EXPEND TIME IN

English instructor, Mr. Holbrook, prepares to dictate a sentence to Janet Adkins.

Members of the Home Ec. class donate time and effort to make Easter clothes for the Ramey Children's Home.

Jenny Merritt and Regina Clark wait for their after-school rides.

Students bear expressions of joy as they await their 1968 Revlonians.

VARIED PURSUITS

Russell students anxiously board the school bus after a hard day of classes in-

terspersed with trials and tribulations.

MANY SERVICES TO SCHOOL AND COM

Perry Short, Joe Brown, and Debbie Malone — French Club members — check coats at a basketball game.

Donna Hensley works quickly to complete the Beta and Honor stoles for graduation.

The band provides lively entertainment for spectators at all Red Devil football games.

Teresa Williams starts the day off with a little "soul food" by reading morning devotions over the intercom.

AMONG EXTRACURRICULAR ACTIVITIES

Susan Justice, Snowball Queen, and Bill Gallion, Senior class president, lead off the queen's dance, while "Robin's Hoods" provide the music.

Mike Meeks, Glenn Sparks, Walter Hill, Tim Pleasant, Mike Dingus, and Sam Potter, all of the "Soul Expedition," play for the yearbook dance after school. This dance was held for the purpose of increasing subscriptions to the

Revilonian to finance its publication. The band rendered free services to work toward this goal.

IN ALL PHASES OF SCHOOL ACTIVITY

Cookie Bailey takes particular care in playing a solo part in band.

Keith Green, a connoisseur of legs, works to produce a very fine one for the table he is making.

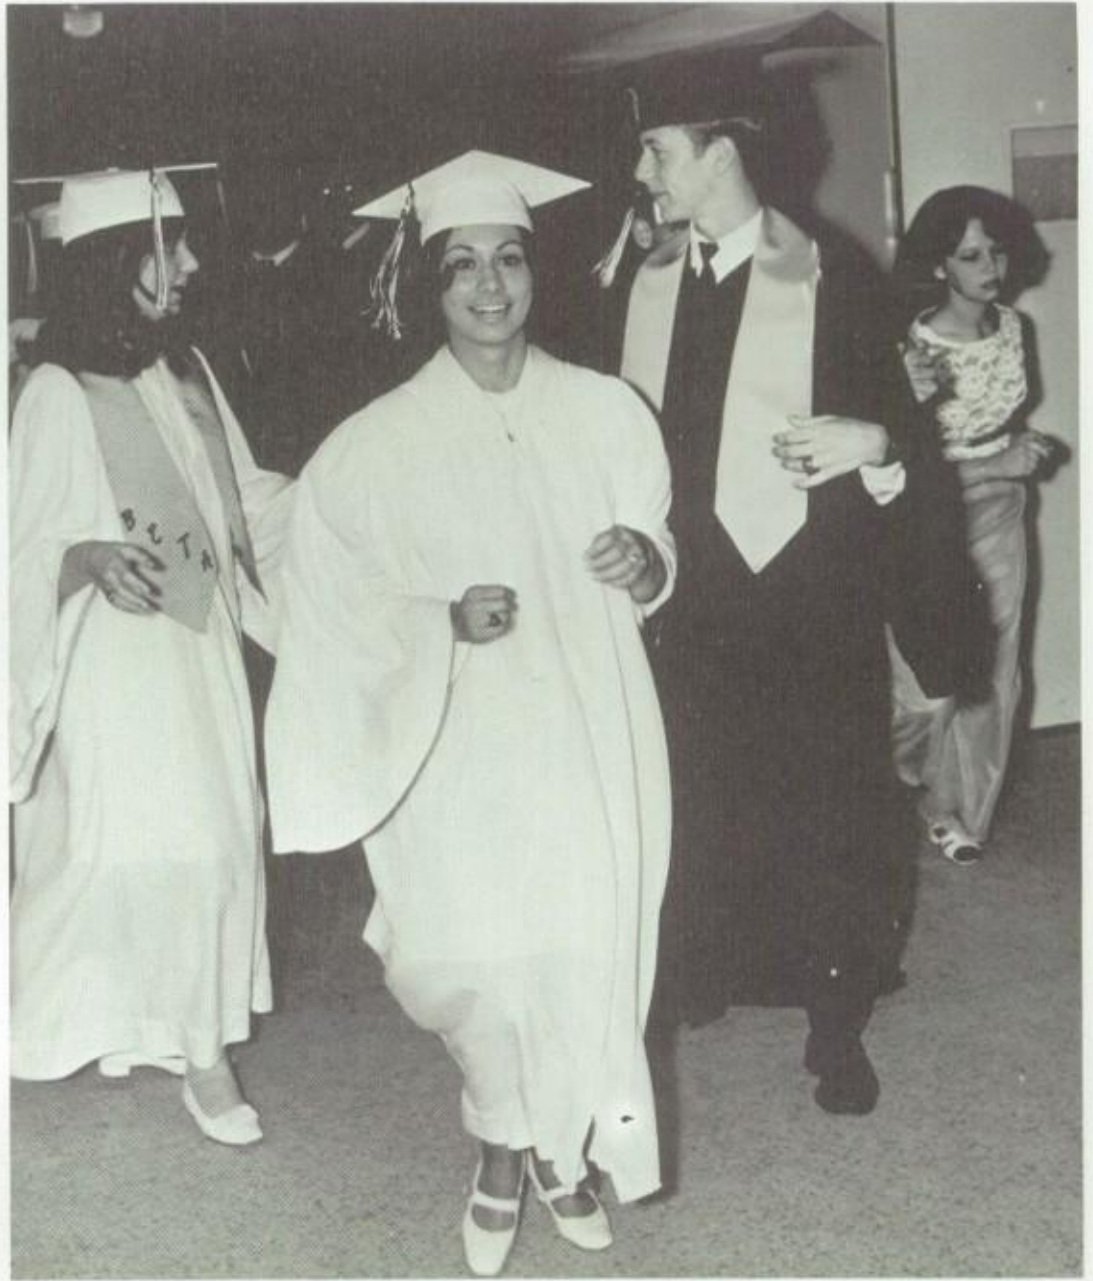

Terry Frazier, Ruthie Webb, Teresa Williams, and Elizabeth Felty paint a Red Devil banner for an important tournament game.

OFFICERS AND TEN HONOR GRADUATES

Jinny Crawford, Libby Conley, Marshall Daniels, and Vanessa Short hurry to line up for the graduation procession.

Donna Hensley, salutatorian, gives her speech, while the class and other

honor students listen intently.

WASHINGTON MONUMENT PROVIDES A

"Some people see things as they are and ask why, but we dream things that never were and say why not." This motto, chosen by the 1969 Senior class, is indicative of the graduating class. Throughout the years that it has adorned the halls of Russell High School, this fifty-first graduating class has brought change and honors to Russell.

The graduating class of '69 was the largest — 178 in all — to ever graduate from Russell High School. Because of this, the class had tremendous influence on the student affairs controlled by the student council. As Juniors, the class diligently sold candy in order to finance a brilliant prom; the class chose a theme that was original and unique, the "Arabian Knights." Also, this was the first group to be allowed to use the gymnasium floor for the prom.

As the class of 1969 became Seniors, its members decided to change the format of the Senior Trip to meet the needs of the large class. For the first time in the history of Senior Trips, the entire trip was made by Greyhound Bus. To finance the trip for 110 Seniors, a successful magazine campaign was staged, along with a candy sale that proved to be very profitable. The trip, after much hard work on the part of the sponsors and officers, was a reality that blended perfectly with the personality of the class.

The first stop was at Hawk's Nest State Park in West Virginia, and then on to Luray Caverns, Virginia. The highlight of the trip was, of course, a guided tour of Washington, D.C., followed by a day at Williamsburg and Jamestown.

It was in day-to-day school activities, however, that the class truly excelled. Members of the class participated in many athletic contests, bringing much honor to the school. In the '69 class, there were students who participated in the State High School Basketball Tournament, the State High

School Golf Championship, and the State High School Track Meet. Besides all this statewide acclaim, the athletic teams were tops in their own area.

The class was outstanding and a model for future classes in the area of academic achievements. Members of the graduating class won more than their share of honors in statewide competition. The class held the best tri-state Chemistry student, the second place student in a competition at Eastern Kentucky University, and the first place chemistry winner at Georgetown College. The students also won their share of scholarships: The Armco Community Scholarship; Morehead Alumni Scholarship; and the University of Cincinnati Honor Scholarship — to mention a few. Members of the class were listed in the national publications, Merit's Who's Who of American Teenagers and Outstanding Teenagers of America. A few students also attended Ashland Community College during their Senior year.

On the school scene, the students carried away many awards, winning more honor letters than any other class in recent history. In fact, they won at least five in each of two different years.

The graduation exercises were a fitting memorial to the class of '69. The theme chosen was "The Impossible Dream," and the program was conducted by members of the class. As in 1968, there was no guest speaker, and speeches were given by the honor students. To terminate graduation activities, the class originated a Graduation Dance, so the class could be together for the last time.

The fifty-first graduating class accomplished many things while attending Russell High, and it has left a rich tradition of achievement for other classes to follow.

CLASS OF '70

The Junior year is possibly the most exciting of one's entire high school career. Although Juniors enjoy the privileges of being upperclassmen, they are not yet burdened with the responsibilities held by Seniors. This year's Juniors, the Class of '70, undertook the traditional Junior projects. They sold a huge quantity of candy in the fall to finance the annual Junior-Senior Prom in May; the "Evening in Venice" was complete with gondoliers, glowing candles, and the sparkling of a fountain. As in the past, class rings were ordered in the spring — with a "Red Devil" crest available for the first time. Several members of the Class of '70 demonstrated exceptional leadership qualities: practically every Student Council office, as well as a number of important positions in other clubs and athletic teams, was filled by a Junior. With the greater part of their high school career behind them now, the Class of '70 is ready to accept Senior status.

This year's freshman favorites are Jerry Barber and Debbie Bailey.

CLASS OF '72

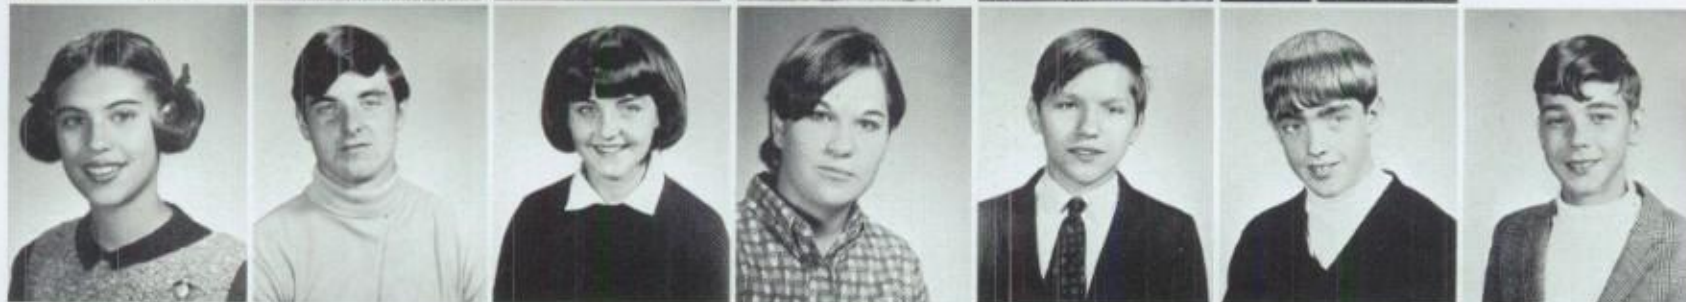

The Class of '72 is now "off and running" in their course at Russell. Having completed the first lap, they look forward to three more years of the joys and the trials that make up high school life. The freshmen have demonstrated that they possess great spirit, both in backing their class and in supporting the Red Devil teams.

The freshman year is one of transition; new experiences are introduced, new demands must be met, and new opportunities must be dealt with. The class of '72 has survived this transition, and its 260 members are now ready to join the ranks of Sophomores.

THE FUTURE

is where you'll spend the rest of your life . . .

We hope you are preparing for it as well as you possibly can — for the future needs young people with knowledge, dedication, energy and ambition.

If your career interests are in one of the many fields so important to industrial growth—engineering, sales management, accounting or business administration, for example—we hope, too, that you will keep an eye on Ashland Oil. Our growth already has been outstanding, but we're preparing for even a greater future.

FLOWERS FOR ALL OCCASIONS

Our engineers, like our other employees, are dedicated to serving customers well. Engineers work in many fields, such as industrial sales or project & design, and they often take postgraduate training courses to keep abreast of the rapid progress in their specialty. They are typical of their fellow employees who work and study so that gas service will be constantly improved.

A cap and gown signify much — the challenge of education has been met and conquered, partially for some and fully for others. In any case, more challenges lie ahead . . . new challenges . . . more difficult challenges . . . Challenges that, like those of the past, must also be acknowledged and fulfilled.
